### ROADSHOW for the week beginning March 8, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

#### Jefferson County:

**Interstate 264: Beginning Wednesday, March 10, 2010** lane closures and delays expected in both directions between Preston Highway and Interstate 64 (mile points 12.4 and 18.7) due to concrete pavement repairs. **The roadway may be reduced to three lanes weeknights Monday – Friday from 8:00 p.m. and 10:00 p.m. After 10:00 p.m., the roadway may be reduced to two lanes until 6:00 a.m. the following morning. On weekends, lane closures are possible from 8:00 p.m. on Friday until 6:00 a.m. on Monday.** The speed limit will be reduced to 45 MPH in the construction zone and double fines will be enforced. Construction is scheduled for completion in May 2010.

**Interstate 65:** Lane closures delays possible between I-264 and Fern Valley Road (mile points 131.2 and 128.1) due to guardrail installation and shoulder repairs. **Lane closures are possible weeknights from 8:00 p.m. until 6:00 a.m. the following morning and on weekends from 8:00 p.m. on Friday until 6:00 a.m. on Monday.**

**Interstate 264/Interstate 64 interchange:** Shoulder closures and delays possible at the ramp to westbound I-64 approaching the Sherman Minton Bridge (mile point 0.1) due to ramp replacement. In addition, **lane closures and delays are possible on eastbound Interstate 64 at the ramp to eastbound I-264 (mile point 0.19) daily from 9:00 a.m. until 3:00 p.m. as part of this construction project.**

**Interstate 64:** Construction delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. **Traffic stoppages are possible in each direction daily between 11:00 a.m. and 3:00 p.m. during blasting operations.** The speed limit is reduced to **55 MPH** in the construction zone and this is a **double fine work zone**. Construction is scheduled for completion in the fall of 2010.

**Interstate 264:** Shoulder closures possible between US 60 and US 42 (mile points 19.8 and 22.2) due to construction of an interchange at Westport Road. Watch for construction vehicles entering and exiting the roadway. The **speed limit is reduced to 45 MPH** in the construction zone. Lane closures and delays are also possible on Westport Road between Hubbards Lane and I-264 (mile points 0.9 and 1.9). Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone. Construction is scheduled for completion in the spring of 2010.

**US 60A (Eastern Parkway):** Roadway is **closed** between Hahn Street and the entrance to the J. B. Speed School of Engineering (mile point 3.8 to 3.7). This closure will allow for extensive repairs to the bridge over the CSX Railroad. Motorists should follow the signed detour via Crittenden Drive, Central Avenue and Third Street (KY 1020).

**KY 155 (Taylorsville Road):** Lane closures and delays possible between I-265 and Tucker Station Road (mile points 6.1 and 6.8) due to roadway striping.

#### Bullitt County:

**KY 1494 (Beech Grove Road):** Roadway is **closed** at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

#### Franklin County:

**US 421 (Leestown Road):** Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. Motorists should watch for construction vehicles in the area. Construction is scheduled for completion in the fall of 2010.

**Henry County:**

**KY 22:** Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

**Oldham County:**
